Cross Jurisdictional Medicine

Feedback from EMSA, EMSAAC and EMDAC on (October 17th Discussion items):

- 1) Propose that personnel maintain home base accreditation and Scope of Practice
- 2) Cross-jurisdiction medicine be allowed for 90 day temporary assignment (with option for extension with home base LEMSA approval)
- 3) Home base LEMSA and receiving LEMSA be notified prior to assignment change
- 4) Personnel to follow receiving LEMSA's destination policies
- 5) Standard form to be developed for personnel cross-jurisdictional request (to be approved by base LEMSA)
- 6) Personnel who are temporarily assigned to be paired with permanent personnel:
 - mandatory for air ambulance
 - preferable for air rescue

Role of Medical Director

Feedback from EMSA, EMSAAC and EMDAC on (October 17th Discussion items):

- Provider Medical Director develop treatment protocols ⇨ LEMSA Medical Director (at base of operations) approves them
- Vs.
- System-wide protocols for a given provider agency (within their regular service area) with option for research flexibility
